RETURN TO AGENDA

THE CORPORATION OF THE TOWNSHIP OF HORTON

Protective Services Committee MeetingJanuary 18th, 2024

5:00 p.m.

There was a Meeting of the Protective Services Committee held on Thursday January 18th, 2024, in the Horton Council Chambers. Present was Chair Daina Proctor, Mayor David Bennett, Councillor Glen Campbell, and Public Advisory Member Spencer Hopping. Staff present was Fire Chief Allan Cole, Deputy Fire Chief Mike Fortier.

1. CALL TO ORDER

Chair Proctor called the meeting to order at 5:00 p.m.

2. DECLARATION OF PECUNIARY INTEREST

There was no declaration of pecuniary interest expressed by Members of the Committee.

3. MINUTES FROM PREVIOUS MEETING

i) September 21st, 2023

Moved by Councillor Campbell

Seconded by Spencer Hopping

THAT the Protective Services Committee accept the Minutes of November 16th, 2023.

Carried

4. MLES OCTOBER – DECEMBER 2023 REPORTING

The Committee reviewed the report.

5. FIRE CHIEF'S REPORT AND UPDATE

Fire Chief Allan Cole presented the report. Chief Cole presented the calls for service from November 14th, 2023 to January 15, 2024 which totalled to ten (10). He requested to be put on the agenda for a future council meeting to present the Annual Report to Council. There was committee discussion regarding the user fees and charges and comparing to other municipalities to ensure comparable pricing.

6. STAFF/COMMITTEE MEMBERS CONCERNS

Fire Chief Allan Cole stated that there should be some research done to create new by-laws governing EV charging stations, that include municipal inspection of charging stations for the purpose of creating a listing of number and type, and even a by-law to restrict charging of EV's inside garages.

There was committee discussion regarding a Li-Ion Battery Fire training opportunity in Eganville in March. Chief Cole stated that when the Fire Department is asked to respond to a Li-Ion Battery Fire on the highway or within the municipality, they need to have the resources and methodology to extinguish it. Councillor Campbell questioned if there was a requirement for placarding in trucks that are transporting Li-Ion Battery. Fire Chief Cole stated that the Highway Traffic Act indicates that Li-Ion Batteries are deemed as a hazardous substance and proper signage must be available.

Mayor Bennett stated that there has been discussion at County Council regarding proposed charges for a maintenance contract for Radio Dispatch Equipment owned by the County and costs would be expected to be downloaded to municipalities, which should be considered for future budget discussions.

RETURN TO AGENDA

There was committee discussion regarding the budget and equipment replacement.

7. NEW BUSINESS

There was no new business.

8. NEXT MEETING DATE

The next meeting will be held March 21st, 2024, at 5:00 p.m.

9. ADJOURNMENT

Chair Proctor declared the meeting adjourned at 6:22 p.m.

CHAIR Daina Proctor

CAO/Clerk Hope Dillabough

Township of Horton COUNCIL / COMMITTEE REPORT

Title: Monthly Fire Report	Date:	May 13, 2024
	Council/Committee:	Fire Committee
	Author:	J. Allan Cole – Fire Chief
	Department:	Fire

CALL OUTS/RESPONSES:

Call-Outs/Responses January 16, 2024 to May 13, 2024

Total this period – Twenty-Two (22)

- MVC – (9)
- Grass/Brush Fire – (4)
- Structure Fire – (2)
- Smoke Alarm/CO Activation – (3)
- Locked Door Access Request – (1)
- Ice/Water Rescue-Called off En-Route (1)
- Tree on Power Line (1)
- Mutual Aid Request (1)

MEETINGS:

Renfrew County Chief's Association Meeting 2024-03-06

Meeting Proposed:

We are proposing a meeting of HFD Senior Staff, CAO, Treasurer and representation from our OFM Fire Protection Advisor to map out a route to address Staffing Shortfalls and to develop a detailed set of Training Opportunities that will meet the requirements of the Ontario Seal Certification and/or NFPA 1001 FF1 and FF2

TRAINING/WORKSHOPS/:

- Practical Evolutions NFPA 1001 FF1&2 to meet minimum requirements of Ontario Seal. (ongoing)
- Lithium-Ion Battery Fire Training Workshop March 02, 2024, Eganville. 7 HFD Staff attending.
- Forcible Entry Training Workshop put on in cooperation with Renfrew Fire Department. HFD and RFD conducted a joint training session facilitated by RFD Training Officers. 2024-01-29
- NFPA 1072 Haz Mat Awareness Level. DC Fortier has completed training.
- Fire Chief attended a series of Mutual Aid Coordinator Meetings presented by the OFM on March 20-22, 2024

RETURN TO AGENDA

CORRESPONDENCE:

- 2024-04-23 OFM has announced a 3 year \$30M Fire Protection Grant for Municipal Fire Departments (attached)

FIRE PREVENTION/INSPECTION:

- 2023-12-04 1300 hrs. Fire Inspection at 776 Bruce St. In attendance were owner Jay Kingsbury and CBO Dwayne Coulas. Inspection was for the purpose of potentially changing Occupancy Classification for the property to allow for building to be used as a Group Home. The owner was provided with Fire Code Regulations pertaining to those requirements.
- Mr. Kingsbury has submitted his FSP for review.

OUTSTANDING ISSUES/OLD BUSINESS:

Fire Department Access on Private Roads within the Municipality (Left on for Reference)

There are 149 registered Roads in the Township that have 911 addresses attached to them (Info based on CACC 911 Reporting Data).

Of the 141 registered Roads, 61, or 43% are deemed to be Private Roads not maintained by the Municipality and of varying roadbed condition.

We have completed the Private Road Condition Assessment on 61 Private Roads in the Township.

Based on our observations there are a sizeable number of 911 addresses located on private roads where we, as a Fire Department, could not provide the same level of service as would be expected of 911 addresses on Municipally Maintained Roads.

The following are some suggested options based on reviews of situations encountered with other municipalities having similar conditions.

- 1- Based on above, evaluate whether the FD has the appropriate equipment to meet the needs of the homeowners of these roads and consider alternate methods of response that may meet the minimum standards (IE: perhaps we would be well served with a Mini-Pumper for this type of work-dependent on number of roads, # of homeowners, # of roads inaccessible by the larger trucks etc.)
- 2- Consider either a) developing a By-Law establishing minimum road standards and enforcing compliance or b) revise the current E&R By-Law to indicate that HFD will do it's best to provide an appropriate level of service but based on road condition we may not be able to.
- 3- Inform all homeowners serviced by Private Roads of the level of Emergency Response they are most likely to get based on the above.

Update:

On Sunday October 22 we responded to a structure fire (Generator Shed) at a hunt camp on a private/bush road (Calvin Road) that we didn't even know there were dwellings in there. Responding in a rain storm with very unfavorable road conditions getting in presented a number of challenges to firefighters to extinguish the blaze.

This is another point in favour of matching apparatus to the requirements of the municipality and, although these are isolated incidents, there are concerns for the safety of life and property in these remote locations.

One interim step to address this may be to begin a campaign to homeowners in these remote locations to the effect of; If you require emergency services and they cannot get to you in a reasonable time, what steps have you made to keep yourself safe? Potential options would be things like keeping a cottage pump on site (if water source available), ensuring adequate or additional fire extinguishers, ensuring a comprehensive first aid kit is available any people know how to use all these things. This would be similar to the 72-hour emergency kits messaging but with a bit more detail.

The recent adoption of the By-Law 2023-49 for upgrades to Private Roads and the revision of Policy T-01 are excellent steps moving forward to ensure access for emergency vehicles to residents.

Old Business

Review of 2023-56 2024 User Fees and Charges By-Law

We would like to present some recommendations for changes/additions to the User Fees and Charges By-Law as it currently stands.

In its current form there are areas specifically in regard to Schedule "G" where we feel there may be room for adjustments to better reflect the fee structure.

Revisions For Consideration:

Schedule of Fees

2a - Dispatch Firefighters (to be calculated at \$25.00 per hour) Recommend increase to \$35.00 per hour to better reflect actual costs incurred.

2b – Dispatch of Fire Response Vehicles (to be calculated at \$450.00 per veh per hour) Recommend increase to \$550.00 per veh per hour to better reflect actual costs.

Recommend Add:

2f – Request for information – Application – Search Time – Record Preparation (similar to Schedule E Administration Fees

2g – Request for Fire Inspection for the purpose of land/property purchase or sale. To include preparation of Report. Fire Chief – Cost Recovery (plus HST)

Update:

One interesting thing that came up from the Fire Conference in Huntsville was a recommendation from the OFM (verbal only) to make sure Municipal Fees and Charges By-Laws are beefed up enough to cover some additional costs that could be incurred by the municipality.

Normally these costs are incurred by the owner of the property or vehicle, but in the case of possible criminal activity or lack of insurance etc. we may be on the hook for clean-up costs if we didn't have a mechanism in place to recover those costs.

Recommended additions:

- Cost recovery for clean-up costs associated with fuel or hazardous materials spills.
- Cost recovery for clean-up costs associated with Grow-Ops, Clandestine Drug Labs, Chemical Suicide etc.

If there is criminal activity involved, the possibility that these owners will have proper insurance in place to cover these costs by their own means is limited to say the least.

If we had these items listed, at least we are covered with a mechanism to try to recover costs.

NEW BUSINESS

Unit 9837 Update

The new Unit 9837 was delivered on March 18, 2024, and received into service shortly thereafter. Vehicle Information Package attached.

Unit 9837 (old)

Unit is listed on Gov-Deals at this time.

<https://www.govdeals.com/preview-asset/34/11109>

Closing date for auction is 2024-05-27.

Staffing

We have had 1 Firefighter submit a request for an indefinite Leave of Absence which we have accepted.

We have had 1 Firefighter submit a formal Resignation which we have accepted.

Current Staffing Compliment:

16 Firefighters all ranks.

Allowed Staffing Compliment

20 Firefighters all ranks.

Community Risk Assessment recommended Staffing Compliment

25 Firefighters all ranks.

HFD Open House/Recruitment Night

HFD is planning an Open House, mid-June 2024, to showcase the Department to the public and also to use as a recruitment night. Previous Open Houses have proven to have been very successful.

HFD Canada Day Activities

HFD will be in attendance in support of Canada Day activities at the Horton Community Center. This is an integral part of our Fire Prevention Activities for the year.

In addition, HFD will be available to assist in any way possible with other activities taking place concurrently at the Community Center.

MEMORANDUM TO: All Ontario Fire Chiefs

FROM: John Snider
Acting Ontario Fire Marshal

DATE: April 23, 2024

SUBJECT: Fire Protection Grant

On March 26, 2024, the Ontario government announced a new three-year \$30 million Fire Protection Grant for municipal fire departments.

This is an application-based grant. Municipal fire departments will be able to apply for funding for fire department infrastructure, personal protective equipment and specialized decontamination tools to clean and sanitize firefighter gear.

The grant will operate as three consecutive one-year grants of \$10 million per year and will be available for any new and existing qualifying initiatives which will be completed within the grant year.

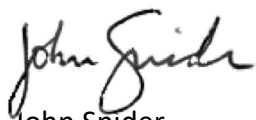

The Office of the Fire Marshal will administer the grant through the Transfer Payment Ontario (TPON) system. Municipalities whose fire departments are interested in applying for this grant must set up a *My Ontario* account in the TPON system (many municipalities may be set up on this system already). More information on setting up a *My Ontario* account can be found on the [TPON website](#).

As with other grants offered by the ministry, applicants are required to develop proposals with supporting information to demonstrate need, return on investment, and benefit to public safety. We encourage fire departments to begin preparing this information to ensure a compelling grant application can be developed.

Additional information about the Fire Protection Grant and an information package will be available shortly.

RETURN TO AGENDA

Sincerely,

A handwritten signature in black ink that reads "John Snider". The signature is written in a cursive, flowing style.

John Snider

Acting Ontario Fire Marshal
